Shine's August 2023 Newsletter!

Hello SHINE Family!

As the summer wraps up, we here at Shine have begun lining up a number of exciting events for the fall! Over the last few months we have had record growth at both of our clinics in terms of the capacity of patients we have seen and on-boarding many new Shine team members.

Our new "Shine Meet and Greet Video" is a great opportunity to meet some of our great providers/staff and take a closer look at Shine's unique approach to patient care.

With the back to school season being in full swing, we know many families are interested in the discussion of vaccines. Join this Wednesday 8/23 for the "Get to Know Shine" event which will include guest speaker Attorney Scharli Branch JD who will give her unique take on various vaccine topics with Physician Randy Naidoo MD.

video (\$10)

Shine

We get lots of questions about product recommendations, so we decided to pull from our 20 years of pediatric experience as well as being parents ourselves to create a storefront containing all of our favorite products from supplements and breastfeeding supplies to EMF protection and healthy snacks.

We hope this storefront consolidates things and makes it easy for you to find the natural child all in one place. ENJOY.
